

English Language Transactional Writing Review Writing: Modal Verbs

The driving scenes are littered with ludicrous slow-motion pans and zooms when they should be a frenzy of fast, kinetic action. The races, which could have been exhilarating, are too often slowed down by this stop-start approach. Throw in poor CGI and over-the-top rap music and you have *Revved and Ready*. Some might consider cartoons more realistic!

All things considered, *Revved and Ready* should have challenged the *Fast and Furious* franchise for first place. It could still race, but it will never take the lead.

Identify the modal verbs being used.
