

Gisborne Primary School Spelling Test Administration

Testing Conditions:

Prep	Questions 1-10. Capable students will complete follow up questions based on teacher discretion, stopping after 5 errors.
Grade 1/2	Questions 1-30. Do not stop for errors. Capable students will complete the final 30 questions based on teacher discretion
Grade 3/4	Questions 1- 60. Do not stop for errors
Grade 5/6	Questions 1- 60. Do not stop for errors

Tests are to be completed on paper, dated and placed in student files.

Assessing results:

- Use the individual test analysis page for each student. Tick if correct and write how the word was spelt in the space if incorrect. Circle or highlight the type of error using the table provided
- Use SPA Platform to enter your overall whole class data. Type the word in each box exactly as the child recorded it. Look for trends across your grade/year level.
