

Gisborne Primary School Spelling Test B Administration

Testing Conditions:

Prep	Questions 1-10. Capable students will complete follow up questions based on teacher discretion, stopping after 5 errors.
Grade 1/2	Questions 1-30. Do not stop for errors. Capable students will complete the final 30 questions based on teacher discretion
Grade 3/4	Questions 1- 60. Do not stop for errors
Grade 5/6	Questions 1- 60. Do not stop for errors

Tests are to be completed on paper, dated and placed in student files.

Assessing results:

- Use the individual test analysis page for each student. Tick if correct and write how the word was spelt in the space if incorrect. Circle or highlight the type of error using the table provided
- Use the spreadsheet to enter your overall whole class data. Shade the square in the allocated colour if the question was answered correctly and leave blank if answered incorrectly. The spreadsheet can be found on the server in your whole school tracking data folder.
- Look for trends across your grade
