

'Ow' and 'ou' are cousins. They share the first two sounds. 'ou' is used in the middle of words and 'ow' at the end. Sometimes 'ow' can be used in the middle or beginning of a word if the letters after it are l, el or n.

[illegible]

You and your cousin went to the town. You were so proud because you had grown wings and flown there. You put an owl on your cousin's shoulder.

This image shows a blank sheet of white paper with horizontal ruling lines. The page features four sets of three-line guides, each consisting of a solid top line, a dashed middle line, and a solid bottom line. These guides are spaced evenly down the page, providing a structured format for writing or drawing.
